President's Report – Damon Neal

OCSEA has some retirement incentive programs going on right now and is encouraging retirees to take advantage of these opportunities.

GET OUT AND VOTE - Retirees can “organize” right now and have no restrictions on organizing to get members out to vote in the upcoming election. We, on the other hand, need to be mindful of what we are talking about at work regarding voting.

President Neal stated he doesn't think Ohio is ready for Ramaswamy and believes Amy Acton should be the next Governor.

VP Medicaid – Jamecia Little

Be aware there are a lot of new IPPs that will be coming out. Most of them are regarding new IRS info as well as some IT security updates.

Staff Rep – Jamecia Little

Reminders – Be where you are supposed to be!! They can track the IP address of your surface pro and know if that device is not at your work location. It can see if you are logged in at a store and if you are logging in out of town. Violations of this policy can and has led to terminations. We are the only group that most staff are still working from home full-time, so they are watching what we do and where we are doing it from. 2

If you don't have any work to do, make sure you let your manager know, but make sure you are logged in from your assigned work location.

If you have teams on your phone, delete it!

Be mindful of work rules and policies.

Just because you have been here a long time doesn't mean they won't hesitate to terminate your employment if you are violating the rules.

****VP Little also stated** If you have moved it is your responsibility to report that information and update your telework location as well as your alternate location a

If you have one of those “mouse gigglers” get rid of it. People have them and then forget to turn them off making it look like they never stopped working.....

GOOD AND WELFARE

Remember Pres Neal and his family in your prayers as his uncle recently passed away. He dedicated 50 years of service to the Pentagon.

New Retiree Chapters – If you are retired and looking to stay active/involved they are looking for members and retirees who would like to run for office. Norma will send retire chapter info to chapter email.

Arbitrator Symposium 9/10 – 11. You can use your UET funds to pay for the symposium and the chapter will reimburse loss wages and mileage.

Motion to adjourn made by Norma Goode, 2nd Tonya Reese.
