

CBTU 50TH ANNIVERSARY

“Remembering Our Past, Embracing Our Present, While Shaping Our Future”

So much information and stories about the fights we have fought and how far we have come, but we still have a long way to go.

1942 -1991 We still have not overcome.

1996 CBTU went international. Joined with people in Canada.

****Things to remember while we are still in the fight****

- ◆ Don't be quiet
- ◆ Don't give up
- ◆ So many have died still fighting this fight
- ◆ People who gave and supported the movement didn't have a pot to piss in nor a window to throw it out of, but they still gave to keep the fight alive.
- ◆ Never leave the house the wind may blow the thunder may roar, but don't leave the house.
Walk with the wind, walk with labor, stay with the house
- ◆ Ceilings and breaking everywhere
- ◆ We still got dragons to slay

****CBTU Town Hall - Take-a-ways****

- ◆ Always remember you will always here more boo's than cheers, just keep on fighting
- ◆ Unions must have the will to organize
- ◆ 20 years fighting to ensure collective bargaining
- ◆ We want to leave a legacy, just like a will. Leave knowledge for the ones who will take over once we have gone on
- ◆ Technology - Future/Robotics - we have to be willing to change!!!
